Constitution Day

Good morning, everybody.

Today we are celebrating Constitution Day. Before I begin my speech, I would like to begin it with a wonderful quotation. "Cultivation of Mind should be the ultimate aim of human existence", says Dr B R Ambedkar. Dr B R Ambedkar is the father of our Indian Constitution.

Constitution day is also known as 'Samvidhan Divas', celebrated in our country on 26th November every year to commemorate the adoption of constitution of India. A constitution is a set of fundamental rules that determine how a country or state is run. Our constitution guarantees the fundamental rights of all citizens. The aim of celebrating Constitution Day is to bring awareness on the importance of Indian Constitution and its architect, Dr B R Ambedkar. So, on this occasion I wish you all a Happy Constitution Day.

Thank you.
