Dear Students,

International Literacy Day is celebrated on September 8 every year to raise awareness and concern for literacy problems that exist within our local communities as well as globally. International Literacy Day was founded by proclamation of 'The United Nations Educational, Scientific and Cultural Organization' (UNESCO), in 1966 "to remind the public of the importance of literacy as a matter of dignity and human rights. International Literacy Day brings ownership of the challenges of illiteracy back home to local communities where literacy begins, one person at a time.

International Literacy Day (ILD) 2021 will be celebrated under the theme "**Literacy for a human-centered recovery: Narrowing the digital divide**".

Literacy is a blessing often taken for granted. Reading is essential in our daily life. Navigating through the world without being able to read or write is challenging and is a blockade for experiencing so many things.

On International Literacy Day, organizations and individuals take charge and use their literacy to encourage and assist those who are facing difficulties on how to read and write. St. Norbert school is organizing below given activities to signify the importance of this day. **The competitions will be conducted on 08/09/21 from 2:45 to 3:30 pm.**

- **Grade 1- 5 - Picture composition**
- **Grade 6 – 8 - Effects of corona on education.**
- **Grade 9- 10 - Essay writing ( On NEP 2020)**
