CBSE Affiliation No: 831041

Chowhalli, Kollegala Main Road, T. Narasipura - 571124, Mysore District

‘World Oceans Day’ is an International day that takes place annually on 8 June. World Oceans Day was officially recognised by the United Nations in 2008.

The international day supports the implementation of worldwide sustainable development goals and fosters public interest in the protection of the ocean and the sustainable management of the resources.

The school propagated to conserve oceans and not to pollute it unnecessarily by presenting a beautiful short video on save oceans.
