Child safety measures undertaken by St. Norbert School, Chowhalli T. Narasipura

This is to certify that we have implemented following measures to ensure the safety of the Children studying at St. Norbert School Chowhalli, T. Narasipura Taluk, Mysore.

The Jnanadeepthi Education Society under which St. Norbert School runs has formulated and promulgated a policy on Child protection complying with the National policy for children -2013 for the Government of India and protection of sexual offences against children (POSCO-2012) Act.

As per the policy statement a lady teacher is appointed as a **designated staff member** to function as an effective link between Management, parents, Children and child right agencies.

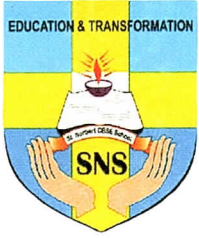

Every staff member working in the school has signed a code of conduct on child protection necessitating them to follow the guidelines enacted in the policy.

The school has also constituted a child *Suraksha* committee including the Principal, representative from the staff members, parents and the students. The committee meets once in three months to monitor, review the matters regarding the safety of the children in the school premises.

We also conduct periodical awareness programmes to staff members, parents and students about the rights of the children, child safety environment, provisions in the POSCO Act etc...
