12TH JULY
National
PAPER BAG
DAY

2023 Theme:
"If You're 'Fantastic', Do Something
'Dramatic' To Cut The 'Plastic', Use
'Paper Bags'."

Paper Bag Day is celebrated annually on July 12 to make people aware of the pollution caused due to plastic and the serious threat that is posed to the natural environment. Plastic waste takes thousands of years to decompose. Therefore, it is important to understand the ill effects of single-use plastic bags.

To boost the creative skills of the students St. Norbert School, T. Narasipura conducted paper bag making activity to mark National Paper Bag Day. The students from Grade 1 to 5 were involved in making beautiful paper bags.

The students showcased their creativity and artistic skills by making attractive paper bags and decorating them vibrantly to spread the message that these paper carrier bags are the most sustainable and efficient means of packaging. The fun filled activity inspired the young minds to contribute towards mother nature by using paper bags and saying 'No to Plastic Bags' and understand the importance of these bags as they are reusable, recyclable and biodegradable.
