## SCIENCE EXHIBITION 2023

**Date:** 23 September, 2023

On 23<sup>rd</sup> september 2023, our school organised a science exhibition whose guest was Fr. Benny Thomas, manager of the school. Sr Sumi Rosa, Principal of the school.

### **Aims & Objectives:-**

- Science exhibition provides a platform for the students to use their scientific knowledge & bring the best invention from their brains.
- It also allows students to work together in groups & learn from each other. they share their ideas & collectively galvanize those ideas to bring something innovative into implementation.
- Students are able to network with their peers who have similar interests.
- Two working & one non-working model has been presented by the ninth & sixth grade students on the stage during assembly.
- Electrolysis & its process, applications was done by grade 9 students. lens camera & its working was done by grade 6 students. pollution & its types was done by grade 6 students.

**Regards: Science Club**
