## **SIGNIFICANCE OF ENGLISH LANGUAGE**

English plays an important role in our everyday life. It's the language of our international communication in all areas, such as politics, science, media or art and it is often the language of entertainment as well as socialising.

Having a good command of English helps us to have more opportunities in life, first of all our career. There is a great utility of English in the modern world. So, the use of English should be continued along with Hindi and other regional languages.

## **ROLE PLAY**

Role Play is the act of imitating the character and behaviour of someone who is different from ourselves.

English club had organized Role Play for the students of Grade 5 and 6 on 30/09/2023. The students enacted each one of their roles enthusiastically. The title of the Role Play was 'The Giving Tree' and was based on the theme- Sacrifice, Friendship and Humanity.

## **OBJECTIVES OF THE ROLE PLAY**

1. Role Play helps the students to develop their communication and language skills.
2. It helps the students to explore, investigate and experiment.
3. It helps the students to develop their social skills, as they collaborate with others
4. It helps the students to learn to empathize with others as taking on the role of a character which helps them to learn empathy and understanding of different perspectives,
5. Students learn about different cultures.
6. It helps the students to express their ideas and feelings in a relaxed environment.
7. It develops awareness of themselves and others. And helps them to be creative and use their imagination
