World Environment Day is celebrated annually on 5th June and encourages awareness and action for the protection of the environment. World Environment Day is a global platform for inspiring positive change. People from more than 150 countries participate in this United Nations international day, which celebrates environmental action and the power of governments, businesses and individuals to create a more sustainable world.

Above all World Environment Day is the "people's day" for doing something to take care of the Earth. That "something" can be focused locally, nationally or globally. It can be a solo action or involve a crowd. Everyone is free to choose.

**THEME:** This year's World Environment Day will be marked with the Theme "Solutions to plastic pollution." The day serves as a reminder that people's actions regarding plastic pollutions are important.

To mark this day St. Norbert school organized various activities on 5th June 2023. All the students are participated by wearing Green dress and Planting the saplings.
