Reading Mission

17 January to 16 February, 2022
for children from grade 1 to 6

Dear Students,

In response to the CBSE's READING MISSION, St. Norbert School, T. Narasipura is happy to introduce a 'Reading Month' with the aim of promoting reading habit among children.

Children who read are able to think more to express themselves more freely, and become independent learners.

Kindly contact your language teachers to participate and learn.
