1. INTRODUCTION TO THE PEDAGOGICAL PLAN 2026-2027

St. Norbert School is a school of excellence in CBSE board and employs “Learning by doing” strategy to make the students comprehend the concepts by experiencing. Our education system aims at holistic development of the students, which enables individuals to emerge as learned, skilled, emotionally and socially balanced rational beings. To achieve this aim, & systematic approach to incorporate all the vital components of child’s learning (such as Curricular, Co-curricular, extra-curricular, cultural, social and emotional aspects) are taken in to consideration in the Pedagogical plan. We strive to balance between the academic as well as behavioral goals and at the same time equip our students with 21st century skills. An understanding of the CBSE vision, identifying with the St. Norbert School vision, a clear perspective of our own role and responsibility as well as thorough and regular study of CBSE guidelines, curriculum, manuals and circulars issued over a period of time formed the basis for this comprehensive plan which involved efforts of a large number of our staff members.

1.1 Unique features of the Pedagogical Plan

- Implicit guidelines and processes for a safe and nurturing environment with emphasis on safety, security and mental well-being of students.
- Creating a culture of thinking, empathy, social and moral responsibility through conscious efforts.
- Embedding 21st century skills in the curricular transactions, and in the co-curricular and extra-curricular and sports activities learners to meet present-day needs and prepare for future challenges and requirements.
- Term plans with systematic division of the curriculum, considering the continuity and difficulty levels of the concepts.
- Assessment of aptitude and learning needs of each child and ensuring need based instructional facility
- A wide range of Assessment Tools and Rubrics for each class and subject.
- Student Appreciation practices like; Student of the Month and Star of the Week to appreciate and acknowledge students' academic excellence, functionality, regularity etc.
- Regular assessment of Training needs of Teachers at all levels.
- Advance In-service Teacher Training schedule, considering various needs of Class room management, attitude of teachers and effective pedagogy.
- Timely coordination with parents to review, inform and update the progress of the child.
- Well tested techniques and approaches to support the low achievers through Remedial classes, Doubt discussion classes etc.
- An outstanding feature is the community out-reaches by planning and executing the Integration programme (Inclusive Education) of children with special needs, in mainstream.
- Orientation programmes for students on Time Management, Career Counseling etc.
- Plan is based upon inclusive education where individual differences are kept in mind while designing the pedagogy and teaching learning process.
- Our Plan is time bound and progressive in nature and effective measures are employed to execute this plan successfully.
